

Position Specification

Dallas / Fort Worth International Airport

Executive Vice President, Administration, Diversity, Equity & Inclusion

The Company

Dallas / Fort Worth International Airport (DFW) became operational in 1974 and today serves more than 65 million customers annually, elevating DFW to the status as one of the most frequently visited superhub airports in the world. DFW Airport customers can choose among 187 domestic and 59 international nonstop destinations using one of 22 passenger airlines. Every major city in the continental United States can be accessed within four hours from the airport. Additionally, 22 cargo airlines provide worldwide freighter service for more than 971K tons of cargo annually. DFW ranks as the 4th busiest airport globally in terms of total number of passengers and 3rd in terms of flight operations.

DFW Airport, Air Transport World's 2019 Airport of the Year, is like a city covering 26.9 sq. miles with five terminals and 164 gates. Centered between its owner cities of Dallas and Fort Worth, Texas, Dallas / Fort Worth International Airport also serves as a major economic generator for the North Texas region, producing over \$37 billion in economic impact each year by connecting people through business and leisure travel. It takes 2,000 Board employees and 60,000 on-airport employees to keep the airport moving people to their destinations. DFW has its own zip code, police, fire and emergency medical departments. It is also the largest Carbon Neutral Airport in the world. DFW is elevating the customer experience with modernized facilities and updated amenities through a \$2.0 billion Terminal Renewal and Expansion Program.
